VIRGINIA

October 15, 2024

Fellow Employees –

Loudoun County is working again this year with our partner America's Charities to facilitate our annual employee giving campaign. Last year, Loudoun County employees gave generously, surpassing our goal by pledging donations totaling \$50,603 during 2024 to many worthwhile causes. This year, our campaign goal is \$55,000, which can be achieved if just a few more employees choose to participate.

This annual campaign to support the charities of your choice makes a real impact within our community and beyond. Consider that pledging just \$2 per pay period could help a family apply for state benefits and services for a loved one with developmental disabilities, and that \$5 per pay period could help provide a senior with nutritious meals five nights a week for a month. Similarly, pledging \$10 per pay period could help provide 20 ill or injured veterans with physical and psychological rehabilitation, and \$20 per pay period could plant one tree in an urban, low-income area.

The Loudoun Gives employee giving campaign is intended to provide you with a simple process for electing payroll deductions to support the charities of your choice in calendar year 2025. Over the next month, you may choose to consider whether you would like to make a pledge to support tax-exempt, nonprofit organizations. You can donate to any organization that is already in Loudoun County's charity database or you can write in your own qualified charity. Through regular payroll deductions or a one-time contribution, America's Charities disburses the funds that you donate to your chosen charities on behalf of the County.

Our 2024 Loudoun Gives campaign kicks off **Tuesday, October 15, 2024, and runs through Friday, November 15**. During this time, you may elect payroll deductions in calendar year 2025 that will support the charities you choose. America's Charities' online giving portal provides you with the information you need to select the charities you would like to support, to elect convenient payroll deductions, or to make donations by credit card. The system is simple and easy to use.

- [Visit LINK](#), the employee intranet, for more information on how to participate in this year's charitable giving campaign.

If you have never given before, I encourage you to consider even \$1 or \$2 per paycheck. If you have participated in the past, consider increasing your donation. Over the years in which Loudoun County has participated, we have seen how employees' generosity has helped impact the lives of those who are supported by our local, regional and national nonprofit organizations.

As always, I am grateful for all that you do throughout the year to make our community great. Together, let's continue making a difference in Loudoun County by giving back.

Regards,

Tim Hemstreet  
County Administrator
